London Arbitration Week
2025

London is recognised as the world's leading seat for arbitration, attracting parties from across the globe. Its stable and predictable legal environment, supportive judiciary, and depth of expertise, from outstanding arbitration lawyers to world-class hearing centres, make it the destination of choice for dispute resolution.

London Arbitration Week ("LAW") will become a cornerstone of the international arbitration calendar. With a focus firmly on quality over scale, LAW will convene thought leaders at convenient venues across the City of London, championing excellence, innovation, and global collaboration.

Become a Founding Sponsor

LAW 2025 offers a unique sponsorship opportunity to showcase your expertise across the full breadth of the disputes market to a wide range of London participants and international guests.

Sponsoring LAW 2025 positions your brand alongside like-minded organisations promoting London as a global centre for arbitration and strengthens your profile within the arbitration community in London and beyond.

As the inaugural London Arbitration Week, LAW 2025 is designed to become a permanent fixture in the arbitration calendar. It complements, rather than competes with, LIDW, from which it is entirely separate.

LAW is supported by an outstanding group of patrons: Dame Elizabeth Gloster, Paula Hodges KC, Sir Bernard Eder, and Toby Landau KC; as well as leading universities.

Sponsorship Process

Sponsorship places are limited and will be allocated on a first-come, first-served basis. Selected sponsors will move to an agreed commitment and payment schedule as soon as possible to secure their participation and gain maximum exposure ahead of the event.

Initial expressions of interest should be directed to Peter Ashford, on behalf of the Sponsorship Sub-Committee. If any issues arise, the Sponsorship Committee will make the final decision. Any committee member with a potential conflict of interest will recuse themselves from the decision-making process. No sponsorship package is confirmed until formally agreed with LAW.

Please confirm your interest by 23 May 2025.

Committed to Your Success

We are committed to working closely with our Platinum, Gold, and Silver sponsors to help achieve their objectives and maximise the value of their sponsorship.

Our approach is collaborative and proactive, ensuring that sponsors are well positioned to benefit from early engagement and visibility across the London Arbitration Week (LAW) programme. We have kept the sponsorship process as straightforward and transparent as possible to make participation easy and effective.
